### Notes

The Portfolio's Acquired (Underlying) Funds Fees and Expenses are estimated on a weighted average of the fees and expenses of the Underlying Funds as of 12/31/08. The amount of fees and expenses of the Underlying Funds borne by the Portfolio will vary based on the Portfolio's allocation of assets to, and the annualized net expenses of, the particular Underlying Funds during the Portfolio's fiscal year. ING Investments, LLC has entered into a written expense limitation agreement under which it will limit expenses, excluding interest, taxes, brokerage, extraordinary expenses and Acquired (Underlying) Fund Fees and Expenses, subject to possible recoupment by ING Investments, LLC within three years. Funds or their affiliates may pay compensation to ING affiliates offering a fund. Such compensation may be paid out of distribution, service and/or 12b-1 fees that are deducted from the fund's assets, and/or may be paid directly by the fund's affiliates. Any fees deducted from fund assets are discussed in the fund's prospectus and disclosed in the fund fact sheet. Because these fees are paid on an on-going basis, over time these fees will increase the cost of your investment and may cost you more than paying other types of sales charges. If offered through a retirement program, additional fees and expenses may be charged under that program. NOT A DEPOSIT. NOT FDIC INSURED. NOT INSURED BY ANY FEDERAL GOVERNMENT AGENCY. NOT GUARANTEED BY THE INSTITUTION. MAY GO DOWN IN VALUE.
